

FAASTeam presents:

Fort Smith Area Pilots Quarterly Safety Seminar

This safety briefing is presented to the Western Arkansas Area aviation community with topics relative to Communication, Accident prevention and FAA Ramp Check Procedures. Soft Drinks and finger food and sandwiches will be provided. Door Prizes presented. The lectures will be presented by area flight instructors and aerospace leaders.

Directions: The Sebastian County Emergency Management Training headquarters is located on the Southeast corner of Zero and Massard Street. It is the former National Guard Armory.

If arriving via interstate 540, take exit # 11 off 540. Turn East on Zero street. The Second traffic light, about 3 miles East is located at Massard Rd. and Zero St.. The building is located on the right and on the Southeast corner of that intersection.

If arriving via Rogers Avenue turn South on Massard Rd and travel 1.8 miles South to the Traffic light at Massard and Zero street. The building is located on the Southeast corner of that intersection.

If flying in, ask TAC to shuttle you to the event.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
